TRAINING

LYNCHBURG ~ ROANOKE, VA 🇺🇸 APRIL 9-11
2010

*This workshop is taught by Lynn McBride Boggess at the VA Center for Reiki Training
located in Blue Ridge, VA (near Roanoke)*

Karuna Reiki is an advanced healing energy that awakens us to compassionate action. Karuna Reiki assists in illuminating those areas of our lives that hold thoughts, feelings and beliefs towards ourselves and others that are less loving than they should be. As we heal and connect with Divine Love and Wisdom we are blessed with love, peace and grace in our lives. Karuna Reiki promotes and enhances our ability to see more clearly our soul's path, to connect with Divine Wisdom and manifest it within our lives physically. As a person grows in Karuna Reiki, there becomes an understanding that we are all one. Karuna Reiki is taught to Reiki Masters and is an additional level beyond Master training. Karuna Reiki was created by William Lee Rand and the ICRT. Karuna training consists of 8 additional symbols and 2 additional attunements. It enhances the Usui system of healing.
